END OF 1ST TERM 2025/26 NEWSLETTER

Dear Parents and Guardians,
Season's greetings to you and your families.

As we bring the first term of the academic session to a close and prepare for the Christmas holidays, we thank God the Almighty for His Love over us all.

Thank you, dear parents for your continued support, cooperation and commitment to the growth and success of our learners.

LEARNERS' BEHAVIOUR AND CONDUCT

We kindly remind parents to continue reinforcing good behaviour at home. Recent observations show a need to address **aggressive behaviour and the use of foul language** among some learners. Our school places high value on discipline, respect, and positive character development, and your partnership in guiding our learners is very important.

6TH INTERHOUSE Sports Competition

Victory through teamwork and discipline

Soccer forms a fraction of the total inter-house sports points, alongside other sports and activities. **This term**, we successfully completed 75% of our scheduled matches, with the remaining 25% set to be played in January, 2026.

Thank you for being part of this amazing journey.

Remember to visit **Pitchstories.online** for a recap of the action so far.

In **2nd term**, we look forward to our 6th Inter-House Sports Competition. We strongly encourage active parent participation and support, especially through the class WhatsApp groups. Your enthusiasm, encouragement, and cooperation contribute greatly to the success of all school activities.

Our **Sports Academy** kicked off this term with the soccer section.

We closed with 13 players.

Next term, registration will commence for basketball, badminton and volleyball.

Interested persons may visit the school office for more details.

IMPORTANT

PARENTS FORUM MEETINGS

Parents are encouraged to attend these meetings where matters pertaining to the welfare of learners are discussed extensively.

It is also an opportunity to learn something new and to network.

LATE PICK UP FEES

This should be paid in cash (N1,500 per hour, per learner) to the caregivers on duty, anytime after 5pm.

EXTENDED CARE

Learners who stay in school beyond 3pm are automatically billed (N50,000) for the term for extended care.

CLUBS

Learners are advised to remain in their clubs for a session so that skills are mastered and evident.

HAPPY HOLIDAYS

As we make out time to rest this holiday, let us limit screen time, engage our kids constructively, monitor their devices, mind the company they keep, show love, kindness, encourage them to read some books, help with house chores and eat lots of fruits and vegetables.

All learners are expected to resume for **2nd term 2025/26** on Monday the 12th of January 2026.
